Mrs. Marion Mackey,
and W. L. McIlroy.

Dear Friends:

My Mother and I offer my Father's cattle for sale with great sorrow and regret; sorrow because my Father's passing necessitates this sale, and regret that circumstances require us to disperse the herd which he has spent many years building up and was such a part of his life.

In fact, registered Shorthorns were founded on this farm by my Grandfather over sixty-five years ago. We are glad that my Father did not dispose of his cattle for they helped give him fullness of life to the very last, and he in turn gave his utmost to the breed and his many fine Shorthorn friends.

This herd has been built from foundation stock, carefully selected, from Scotland and many areas of this country. Pedigrees are full of imported bloodlines and the best of American breeding. Much attention has been given to keeping the herd in a high state of production.

In brief, the dispersal of this herd is a sad undertaking for us, but does offer golden opportunities for those buyers wanting good foundation stock.

My Mother and I hope to see you at the sale.

Sincerely,
W. L. McILROY, JR.
Major, U. S. Army

Wilmer McIlroy is pictured at the 1964 Pike County Sale, the last he attended, with M. A. "Buddy" Rambo of Tempel, Texas. The Macbeth owner was a familiar figure at all important shows and sales.

Dear Friends:

It is indeed with deep regret that we tell you the conditions that cause us to offer this herd for sale. But with the passing of Mr. W. L. McIlroy we feel it best for all concerned to sell the herd.

We offer them not highly fitted but in ordinary working condition. We have just recently culled the herd to where we thought they would be a pleasure to own and make money as well. Almost every cow has had a calf weaned off of her, has a calf at foot, or is ready to calve.

Three years ago we tested the entire herd for TB and Bang's. We had no reactors or suspects. In October 1965 we did the same thing with the same results. We feel that these cattle have produced well for us; they will do the same for you.

So it is with a great deal of pride and satisfaction we offer this herd for sale.

Sincerely,
LUTHER SCHAMBACH
Farm Manager

A WORD FROM YOUR SALE MANAGER

We never like to see dispersions of strong herds like this. However, the reasons are understandable. This dispersal offering will be a great tribute to the herd's founder, Wilmer McIlroy. He worked hard and enthusiastically to build and improve his herd and to further the reputation of the breed we all love. The results of his efforts will be apparent to all who attend this sale. It will be filled with some of the great buying opportunities of the year.

You owe it to yourself to attend when cattle of this quality, productivity and reputation are offered.

BILL STUNKEL
Sale Manager

Wilmer McIlroy and Luther Schambach with Macbeth Royalist, champion bull at the 1964 Pike County Sale.

Why Attend This Sale?

Good Bulls

A long line of strong herd sires representing some of the most successful imported and American-bred blood have always been used. Their mark of quality is apparent in this dispersion offering.

Good Females

Strict culling and judicious purchases have made this a uniform cow herd of known pedigree.

Productivity

This herd is highly productive. No "boarders" were tolerated and the result has been bred-in breeding and settling ability.

Health

No health or disease problems here.

Selection

The herd is large and the opportunity for buying cows with calves, bred cows, bred and open heifers or bred females with calves is the best you can find.

Mrs. Wilmer McIlroy awards the McIlroy Trophy for the best pair at the 1965 Pike County Sale to Bill Smithers, Pittsfield, Ill. This award is indicative of Wilmer McIlroy's interest and efforts toward promoting the breed.

MORPHIE PAYMASTER — Purchased in the 1958 Mathers Sale for \$3,300. He was reserve junior champion at the 1958 Perth, Scotland, Sale. Paymaster was by Calrossie Crocus Count, one of the most highly regarded sires in Scotland that produced winners each year he was in service at the Andersons. His dam, Kair Nonpareil Fancy, was a big roan cow and one of the deepest and thickest the breed ever produced. He carried a cross of Bapton Upright on his dam's side and is a half brother to the great Kair Masterkey, Kair Ranger and other prominent imported bulls. Leveldale sold six Paymaster calves in the 1960 sale for over a \$1,500 average with a top of \$3,200. Ten daughters and several granddaughters and grandsons sell in this sale.

Three sons and eight daughters sell.

LEVELDALE REGALIA

Reference Sires

LEVELDALE REGALIA . . .

A son of Glassingall Research, three times a first-prize winner at the International for Leveldale. He is out of the great cow, Tolquhon Rosetta Wood by the well-known James Durno-bred sire, Uppermill Metaphor. His calves are smooth, rugged and well-balanced. He produced champions at the Pike County Sale for five straight years and left many top daughters in the herd. One of the best breeding bulls ever on McIlroy Stock Farms. Sixteen daughters and many granddaughters sell.

PHOPACHY KING CHARLES . . .

Purchased at Perth in 1954 by Marellbar Farms and used successfully there and later at Marmac Farms. A son of Phopachy Great Event and out of imp. Augusta Linda. He sired the second-place senior and junior gets at the 1957 International. His calves averaged well over \$1,500. Two daughters sell.

This herd is filled with the blood of some of the breed's greatest imported and American-bred sires. Wilmer McIlroy paid close attention to bloodlines and infused the most dependable breeding into this herd.

Reference Sire

CALROSSIE DIAMOND

A bull, pictured above, that needs no introduction to the Shorthorn public. One of the great producers of heavy quarters, rib spread, ruggedness, scale, length of loin and character in his progeny. Purchased at Perth in 1960 by Leveldale and Melbourne, this bull has amassed a great record as a sire of show winners and herd improvers.

At the 1964 International his get won consistently producing the grand champion female, first-prize senior get and four other first-prize winners. Diamond sons have sold into many of the top herds in the land. In the 1965 Melbourne Sale the second top selling bull was a son going for \$5,800 for a two-thirds interest. Ten Diamond calves averaged \$1,234.

MACBETH PARAMOUNT — By Leveldale Paramount by Leveldale Basis, the record-selling bull in North America at \$35,000. Paramount was purchased in dam at the 1959 Leveldale Sale from Arnold and Brooks. His dam is a member of the famed Saltoun Broadhooks family, this one by Cruggleton Jordan out of an Uppermill Annuity daughter. Les Mathers says, "You would be impressed with her depth, thickness and over-all balance." Leveldale Basis was by Aldie Mainliner by Chapelton Baronet by Calrossie Supreme. Basis was the show bull of the year in 1951-52-53, the sire of the year each year from 1954 to 1958. No other bull, living or dead, can match his record for siring undefeated champions and first-prize winners. The dam of Leveldale Basis, Aldie Princess Ciss, is a full sister to Aldie Bequest, 1949 Perth reserve champion. His granddam is by Cruggleton Perfect, A. J. Marshall's greatest sire. Leveldale Paramount was a brother to Leveldale Critic, 1955 International grand champion and Leveldale Princeps, 1959 International grand champion that sold to Elmcrest for \$6,700. Macbeth Paramount is carrying on the rich heritage of his illustrious family by siring top cattle for us. One of the best breeding bulls we have had.

MACBETH PARAMOUNT MAC — A big, rugged calf with size and quality. His dam is from a family that has done well for us.

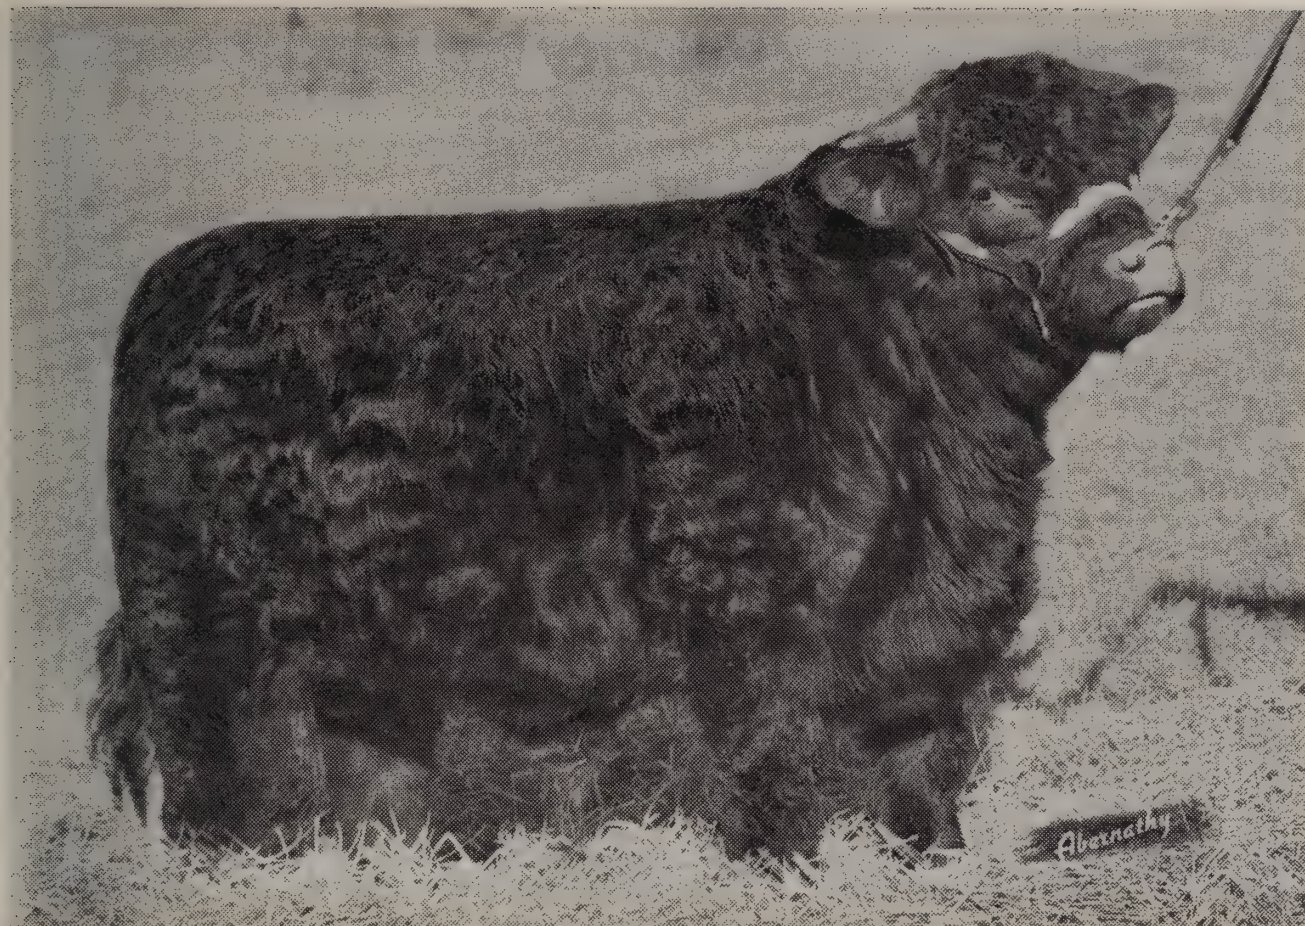

CALROSSIE DIADEM

CALROSSIE DIADEM

A great and popular sire. By Banchory Orangeman and a full brother to Calrossie Diamond. The blood of this great improver is represented through a son selling as Lot 17 and through the service of Fairmead Farm's Bilmar Damascus. At six years of age Diadem had sired four consecutive Perth champions or top-selling bulls. Banchory Orangeman also sired KC Farm's \$60,000 Glamis Benefactor and Melbourne and Leveldale's Calrossie Diamond. His dam, Calrossie Ramona Ramsden, was one of the outstanding cows of the breed. She was by Calrossie Highland Piper, top-selling bull at Perth at \$26,000 going to Rothney Farms, Midnapore, Alta.

Diadem stamps his calves with a great head and tremendous thickness and depth. A son was top-selling bull at the 1965 Ak-Sar-Ben National when a two-thirds interest sold for \$2,500. Another was the champion and top-seller at the 1965 International at \$2,000. At the Best of Midwest Sale a son sold for \$2,000. His get were consistent winners at all the top shows in the land last year.

We think our Diadem calf shows every promise of carrying on this great line.
